

NANTWICH LODGE, HWANGE – FACT SHEET

LOCATION:

The position of Nantwich Lodge within Hwange National Park makes it the perfect mid-way stop between the southern and eastern regions of this wilderness area as well as connecting to Chobe National Park in Botswana. Situated in the northwest corner of Hwange, it is also the closest lodge to Victoria Falls.

A short 30-minute flight or easy 2-hour road transfer from Vic Falls will bring you to our Hwange lodge.

GPS CO-ORDINATES:

Nantwich Lodge, Hwange - 18°35'46.72"S 25°54'10.80"E.

WHEN TO TRAVEL:

The position of our lodge in Hwange, Zimbabwe ensures you have a virtual all-year safari destination in Southern Africa.

Aim for the cooler, dry season between July and October for an optimum safari experience as waterholes attract a great variety of animals and the bush thins out well to ensure great wildlife viewing. Daytime temperatures are in the mid 20's but drop considerably at night to below 10 degrees Celsius.

For those with a special interest in birds, the best time to book a stay at Nantwich Lodge is between November and April when the wet summer months attract a host of migratory species. Just be aware that temperatures can exceed 30 degrees Celsius, so protection against the sun is a must.

ACCOMMODATION:

Each room has been lovingly recreated in an eco-friendly way, adding a refreshing modern touch and a new purpose. We have repurposed existing into stylish and useful accents around the lodge, a prime example of true African innovation. All nine rooms sleep two guests with four of them having inter-leading doors allowing for families or friends to share yet still have privacy.

THE MAIN AREA:

The main communal area consists of inside and outside lounge and dining spaces, a communal Boma area and a curio shop. An open display kitchen allows guests to observe and interact with chefs as their meals are being prepared. The main area overlooks a waterhole and large dam where wildlife frequent throughout the day.

Another outside dining area is located at the pool which is separate and allows for alternative dining with views over the plains and easy access to the pool, perfect for lunch time. There is also a natural eco-swimming pool with grand views over the plains. Complimentary WIFI is available in the main area.

SOLAR POWER AND USE OF ENERGY:

The lodge runs on dual grid and solar power. During the day electricity is from solar whilst at night it is from both batteries and grid power. All lights are LED low energy usage. As an eco-lodge, staff make a concerted effort to keep lights switched off where possible.

ECO-FRIENDLY POOL:

Our pool is a natural infinity pool, with water flowing into a natural pan for wildlife. The system is designed to eliminate the use of harmful chemicals.

FOOD:

We utilise the surrounding villages to supply fresh produce to the lodge where possible. This will facilitate empowering the local farmers and support the villages in a continuous and sustainable way. The lodge has a herb garden which is used to flavour guests delicious meals.

GUEST AMENITIES:

All guest amenities including shampoo, conditioner, hand and body lotion, foam bath, liquid gel and soaps are sourced from eco-friendly suppliers. These are endorsed by 'Beauty without Cruelty', and where possible, use organic ingredients which are biodegradable.

WATER SUPPLY:

Water is supplied from our underground borehole and waste water is cleaned using designed septic system where possible. Once the water has been cleaned it is returned to the soil.

ACTIVITIES OFFERED:**Game drives:**

Search for wildlife in an open-air safari vehicle in Hwange National Park. Professional guides embark with our guests in search of wildlife during day and night-game drives. Guests are escorted through the Hwange region in an open game drive vehicle that safely transports them to all the wildlife hotspots. Your guide is an expert in his field and will share his niche knowledge with you while also tailoring your journey to what you are most interested in.

Game drives are either half-day (in the morning or afternoon), full-day, or in the evening for nocturnal game viewing.

Guided Walks:

The flat plains that Nantwich is known for makes an excellent environment for guided bush walks. The terrain is comfortable to traverse and wildlife is easily viewable. Our expert guides ensure that guests are safe on these walks, while sharing their unique insights about this remote area. Unique to the area are the natural springs close by.

The Hidden Eye (Safari Hide):

The Hidden Eye is our extraordinary new hide at Nantwich Lodge, a haven designed to captivate and delight our esteemed guests. Nestled amidst the breathtaking natural landscape, this hide embodies the epitome of game viewing excellence. Crafted with meticulous precision, our hide seamlessly merges with the surrounding environment, ensuring minimal disruption to the wildlife that frequents the area. Immerse yourself in the heart of nature's magnificence, as you witness firsthand the mesmerizing dance of animals in their natural habitat.

Situated mere steps away from our marvellous waterhole, the hide offers an unrivalled vantage point, granting you the privilege of experiencing exhilarating game sightings right from the comfort of the lodge. Whether you seek solace or adventure, our hide is the perfect sanctuary for those seeking an alternative to traditional game drive.
